

## EXPLORER BOX

SUMMER 2021 – INCREDIBLE INVERTEBRATES

### WHAT'S IN MY EXPLORER BOX THIS SEASON?

Glad you asked! Your RBNC Explorer Box was assembled and packaged with care by nature-lovers like you, and is filled with nature, science, and wonder. Here is what you will find in your box this season:

**Explorer Kit (free for first-time purchasers, available for all at \$5)**

**Your Explorer equipment! Keep your kit handy for future Explorer Boxes.**

Included items: Explorer button, binder, pocket magnifier.

**Souvenir Set: Insect Net, Bug Viewer, and Keyring Mini Field Guide**

**Our personal gift to you!**

Durable, high-quality equipment for the budding entomologist.

**Science Experiment: Earthworm Habitat**

**Observe earthworms and discover their habits and preferences.**

Included items: worm-safe enclosed habitat, instructions.

**Nature Activity: Mason Bee Hotel**

**Provide a home for mason bees to lay their eggs.**

Included items: building materials, instructions.

**Crafts: Coffee-Filter Butterfly**

**Create adorable crafts inspired by insects in your backyard.**

Included items: craft materials, instructions.

**Food Craft: Bee Snackers**

**Make on-the-go snacks that are almost too cute to eat.**

Included items: craft supplies, safely packaged food items, information sheet.

**Food Fun: Gummy Worm Dirt**

**Play with edible worms in dirt.**

Included items: safely packaged food items, materials, instructions.

**DIY Activities**

**More activities to inspire your exploration!**
